## PROFILE

Computer Science student specializing in full-stack development and AI-integrated applications. Experienced in building scalable systems using Python, JavaScript, React, and Flask. Strong foundation in data structures, algorithms, and system design with hands-on experience developing financial analytics platforms.

## TECHNICAL SKILLS

**Languages:** Python, Java, JavaScript

**Frontend:** React, HTML, CSS, TailwindCSS, Recharts

**Backend:** Flask, REST APIs, Pandas

**Concepts:** Data Structures, Algorithms, OOP, API Design, Recurring Pattern Detection

**Tools:** Git, GitHub, Axios, Vite

**Other:** Gemini API integration, AI-driven rule systems

## PROJECTS

### Money Magic – AI-Powered Budgeting & Financial Wellness Platform

- Built React + Vite frontend with TailwindCSS and Recharts for interactive dashboards
- Developed modular Flask backend (CSV parsing, categorization, subscription detection, summaries, coaching engine)
- Implemented recurring subscription detection using median interval clustering
- Integrated Gemini API for AI-driven financial recommendations
- Designed RESTful endpoints for dataset upload, summaries, and coaching

### Outfit Oracle – Resale Aggregation & Price Comparison Platform

- Developed full-stack marketplace aggregator integrating multiple resale platforms
- Implemented dynamic filtering and normalized pricing structures
- Built responsive React frontend with modular components

### Speak Bridge – Real-Time ASL to Speech Translation Tool

- Built computer vision pipeline using MediaPipe Hands for gesture detection
- Implemented AI-based sign interpretation and streaming architecture
- Designed interactive frontend interface for live webcam input

## EXPERIENCE

### Front End Team Member – Wegmans, Lake Grove, NY (02/2025 – Present)

- Operate in high-volume environment maintaining efficiency and customer satisfaction
- Manage peak-hour customer flow improving checkout throughput

### Greeter – Moloney's Funeral Homes, Long Island, NY (01/2024 – Present)

- Provide professional guest assistance and information services
- Collaborate with team members to ensure seamless operations

## **EDUCATION**

Associate of Science in Computer Science  
Suffolk County Community College – Selden, NY

## **ACTIVITIES & HONORS**

Eagle Scout  
Bilingual: English & Spanish
